

Celebrating Community Archaeology in the South Pennines

FREE

# Time Detectives Archaeology Fun Day!

Sunday 17 March, 11am-3pm

Phoenix South-West, University of Bradford

A mixture of 'drop in' activities and taster sessions for all the family. An assortment of workshops will introduce some of the archaeological recording methods and techniques used on the award-winning Watershed Landscape Project, as well as methods of communicating local history.

## Archaeology-inspired art

**Kidz Digz – become a Time Detective**

**Medical Mystery – discover how disease can be identified from old bones**

**CSI: South Pennines – help unravel the clues at our crime scene**

**Discover dinosaurs!**

**Rock 'n' Roll – find out about the rocks that shaped our landscape**

**Flint knapping demonstrations**

**Local archaeology and history societies marketplace**

**Meet the Vikings!**

**Free workshops  
(see website for details – booking advised)**

**And lots more!**

See [www.watershedlandscape.co.uk/comm-arch-event](http://www.watershedlandscape.co.uk/comm-arch-event) for details and a booking form
