

Watershed Landscape

Summer Activities 2013

A series of free guided walks and outdoor activities exploring the South Pennines landscape, organised by **GROUNDWORK**

'Nature Detectives' Ilkley Moor

Come along with family and friends be a Nature Detective for the day, discover the delights or simply enjoy exploring the moorland.

Tuesday 13th August 2013

Meet your guide, Becky Houlding, at :-

Where: **Cow and Calf Rocks Car park**

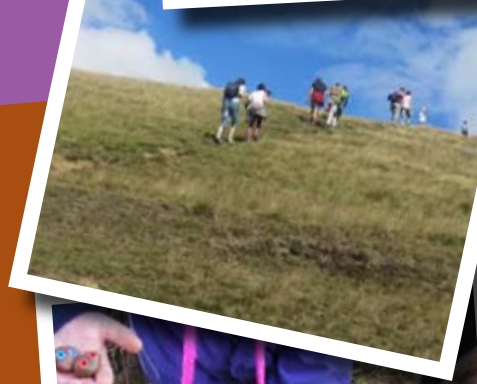

Time: **11:00am - 1.00pm**

Please note:

- A snack and a drink is required for this activity
- The activity is not suitable for the less able, wheelchair users and pushchairs
- By their very nature Watershed Walks contain some rough terrain, so comfortable strong shoes or walking boots would be an advantage
- The weather can change so bring a waterproof, and it can be cooler on the tops, so wear warm clothing.
- We regret that dogs are NOT permitted on the walk, with the exception of guide and hearing dogs.

The South Pennines watershed landscape is the upland habitat where rainwater is divided east from west; North Sea from Irish Sea, and Yorkshire from Lancashire.

The Watershed Landscape project, funded by the Heritage Lottery Fund and managed by Pennine Prospects will support landscape restoration, access and heritage projects in the area.
