

Celebrating Community Archaeology in the South Pennines

Watershed Landscape Project, Pennine Prospects / Division of Archaeological and Environmental Sciences, University of Bradford

HOW TO FIND US

ROAD Bradford is connected to the national motorway network via the M62 and the M606. Best routes into Bradford are:

From the south, east or west of Bradford – M62 and M606.

From the north-west of Bradford – A629/A650 via Skipton and Keighley.

From the north-east – A1 or A19, and reach Bradford via the A59 and then the A658 south of Harrogate.

COACH services connect most parts of the country to Bradford's Travel Interchange.

RAIL Bradford Interchange and Forster Square stations have extensive rail links, though many involve changing at Leeds.

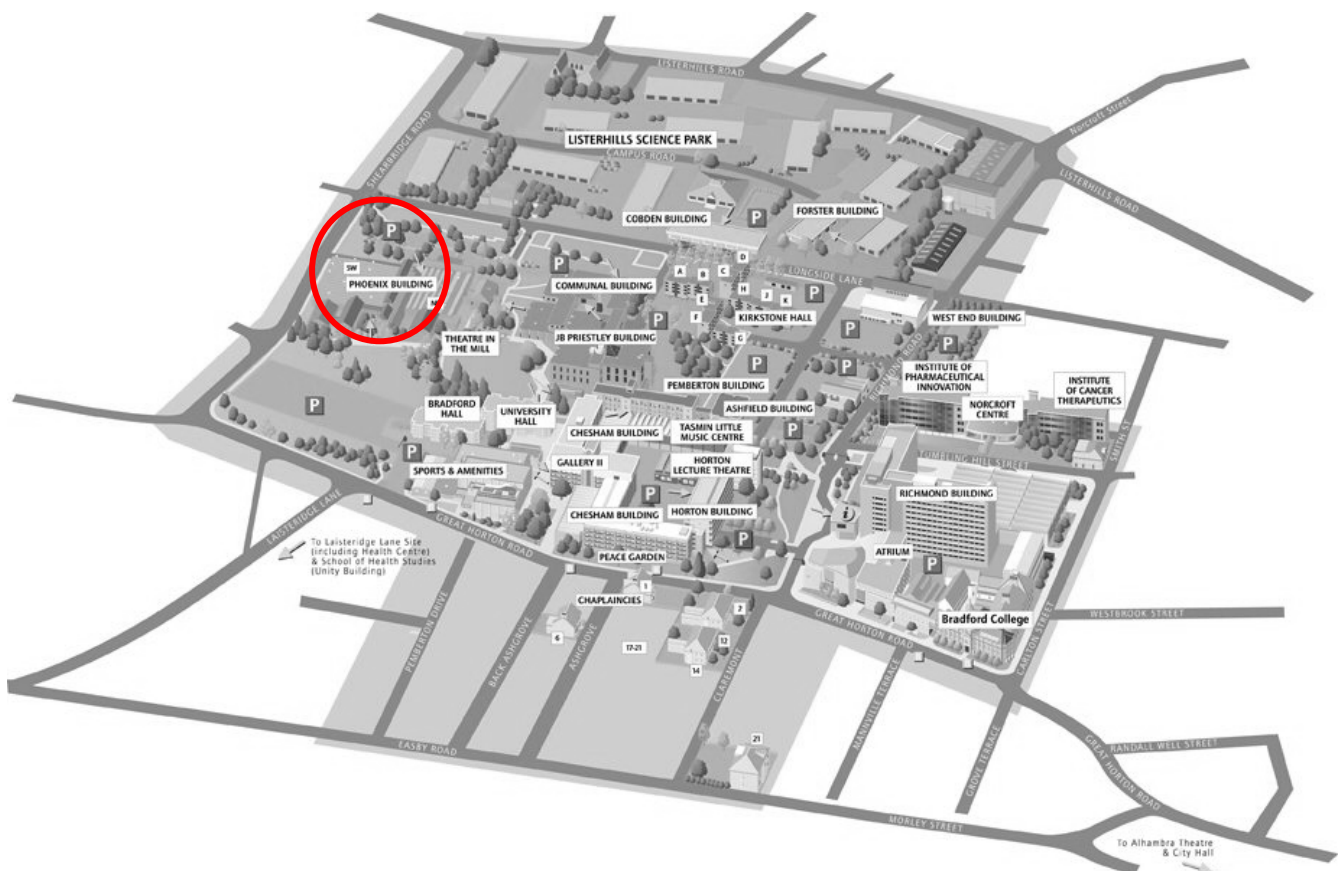

BUSES 610/1/2/3/4 leave from Market Street – bus signposted Great Horton at regular intervals during the day, and pass the main campus about 5 minutes later.

TO GET TO THE UNIVERSITY FROM THE CITY CENTRE

Walking from the Interchange takes about 15 minutes. Come out of the Interchange, down the hill, across the crossing and turn left in front of City Hall. Cross the road and walk left towards the Alhambra Theatre. Turn right up Great Horton Road just before the Alhambra Theatre. The University is about 300 metres up this hill, beyond the College.

CAR PARKING

There is unrestricted car parking on the University car parks on Saturdays. There is a car park off Longside Lane which should be reached from Shearbridge Road. To pass through the barriers, please use the push-button intercom to tell Security staff that you are attending the archaeology event in Phoenix South-West.

The Watershed Landscape Project is managed by Pennine Prospects and funded by The Heritage Lottery Fund and Leader. It brings together a partnership of organisations from across the region working collectively to tell the story of the South Pennine uplands.
